Dear Mr. Bijaya Kumar Kabi,

It is with great pleasure that we welcome you to the Federation of Indian Animal Protection Organisations (FIAPO) and we look forward to you joining our team. I am sure you will bring experience, knowledge and skills that will further enhance our capabilities to help the animals in India.

As you may be aware, The Federation of Indian Animal Protection Organisations is India's most comprehensive NGO-dominated network of communications, team builders and advocates for the protection of animals in India. Members of the Federation recognize that by joining organisationally we increase opportunities to communicate, to learn from and to teach each other under an umbrella of fundamental unity.

As a member of FIAPO, your organization will also be eligible to become a part of the Governing Board. This would allow efficient representation from a diversity of organizations so that FIAPO belongs to all of us and that we all get a chance to play a decisive role in shaping and carrying out its work and progress. We will share more details on this in due course.

We would encourage you to mention that you are an esteemed member of the Federation on your letterheads, websites and any other communication you deem suitable. If you have any questions regarding your role as a FIAPO member, please do not hesitate to get in touch with our office.
